## YOUR COLLEGE EDUCATION STARTS NOW!

Delaware Valley University offers college credits to students who have successfully completed certain CASE (Curriculum for Agriculture Science Education) courses while in high school.

The University has over 300 Articulation Agreements with high schools, and career and technical schools throughout Pennsylvania, New Jersey, Maryland, Massachusetts, New York, and Connecticut.

Delaware Valley University is a private, comprehensive, nonprofit university educating students with a curriculum that emphasizes and requires experiential learning. Located in Doylestown, Pennsylvania, about 30 miles north of Philadelphia, the University offers more than 25 undergraduate majors in life and physical sciences, business, the humanities, and agricultural and environmental sciences; nine master's degrees; and a doctorate in education.

Founded in 1896, DelVal has been cited by the National Society for Experiential Education as having the country's top experiential learning program, by Princeton Review as one of the best colleges in the Northeast, and by College Factual as having one of the top 20 animal science programs in the country.
