PREPARE STUDENTS FOR AGRICULTURAL TECHNICIAN CAREERS

The *Agricultural Equipment and Maintenance and Technology (AEMT)* curriculum offered by CASE 4 Learning aligns with CNH Top Tech Programming. The CNH Top Tech program prepares students for agricultural technician and precision careers with Case New Holland. Students with these certifications will be prepared to enroll in the CNH Top Tech programs at partnering post-secondary schools nationwide.

Become a Top Tech High School

- Attend an AEMT CASE Institute
- Apply to be a Top Tech High School
- Implement curriculum and certifications

Career Advantage

- ✓ Top Tech Certification = Industry Recognition
- ✓ Technical Skill Development
- ✓ Pathway to Technician Careers

Pathway to Student Certification

- Complete AEMT curricular units
- Complete CNH certification modules
- Receive certifications from CNH
- Enroll in a post-secondary program

CNH Certifications

Powertrain Fundamentals

Precision Farming Fundamentals

Electric Fundamentals

Hydraulic Fundamentals

Curriculum Alignment

Unit 2 Drive Systems
Unit 5 Diesel Systems

Unit 3 Precision Agriculture

Unit 4 Electrical and Digital
Unit 5 Diesel Systems

Unit 6 Hydraulics

Certification Checklist

✓ Eligibility & Alignment

- I am a **CASE certified AEMT teacher**
- Students are in **grades 11–12**
- My course includes one or more of the aligned AEMT units:
 - Unit 2 – Drive Systems**
 - Unit 3 – Precision Agriculture**
 - Unit 4 – Electrical and Digital**
 - Unit 5 – Diesel Systems**
 - Unit 6 – Hydraulics**

🤝 Required Partnerships (Complete BEFORE contacting CNH)

- Go to <https://info.cnhindustrial.com/toptech> to find a partnering dealer and college
- Identify a **partnering CNH dealer**
- Identify a **Top Tech partner college**

✉️ CNH Eligibility Confirmation

- Contact the **Top Tech Program Coordinator** to confirm **CASE course eligibility**
- Share partner dealer and Top Tech college information
- Request **teacher admin access** to the CNH Web Academy

💻 CNH Web Academy Setup (Teacher)

- Receive **admin account** credentials
- Log in to the CNH LMS: <https://lmscnhi-agce.cnhind.com/>
- Create **student accounts**
- Assign modules for selected credential(s):
 - Powertrain Fundamentals
 - Precision Farming Fundamentals
 - Electric Fundamentals
 - Hydraulic Fundamentals

📚 Student Completion (Two-Part Pathway)

- Students complete **CASE AEMT instruction** (aligned units)
- Students complete **CNH Web Academy modules**

🏆 Credential Issuance & Documentation

- Verify **credential is auto-issued** in the CNH system
