Day	Time	Webinar Topic
TBD (Virtual)	TBD 2024 – 2025 School Year	The Products of Our Toil <ul style="list-style-type: none"> • Gain an insight into teaching <i>ASA Lesson 8.1 The Products of Our Toil</i>. Students study consumer products from animals, the methods used to ensure consistent products, and how processing improves lower quality goods and adds value. Students work in teams to teach the class about a product and will use sensory evaluation tests to detect differences in samples of products.
TBD (Virtual)	TBD 2024 – 2025 School Year	In Search of the Ideal Animal <ul style="list-style-type: none"> • Take a deep dive into <i>ASA Lesson 8.2 In Search of the Ideal Animal</i>. In this lesson, students will make decisions based on given priorities and criteria and analyze objects as they compare the ideal criteria. They will study the ideal conformation of an animal and write a children’s storybook to use as a guide in selecting animals. Finally, they will solve a problem using performance data to select a herd sire.
